“ Prom Preparations

It's about that time of year again... Prom. All over the country, teenagers everywhere will strap on their heels and cumberbuns for a night of limos, extended curfews, and probably some awkward hand holding.

Not in high school anymore? Don't have teenagers? That doesn't mean that you can't take advantage of the blatant commercial opportunity that is prom. Why not add some prom preparations to your Zliosshop and fancy it up for that most important end of the year dance?

If you're feeling particularly generous and happen to be a woman who keeps her clothes, think about donating your old prom dresses to one of the many charities that collect them for underprivileged girls who want to go to prom like [DonateMyDress.org](#)!

You can also donate all of the proceeds from your Zliosshop to a charity - it's under "options" when you set up a new store.

Here's some product ideas to get you started:

- » Dresses
- » Shoes
- » Make-Up
- » Hair Products/Accessories
- » Evening Bags
- » Jewelry
- » Cuff links
- » Digital Cameras/Camcorders

And finally, if you are way past prom age, don't be sad about it! For many of us from the "web" generation, the number one song for prom was Chumbawumba's Tub Thumping, which does not exactly need to be revisited.
